**MacKenzie Contracting Promotes John Rohde to Vice President**

MacKenzie Contracting Company, LLC is proud to announce the promotion of John Rohde to Vice President. Rohde joined the MacKenzie Contracting team in March of 2004 as a Superintendent and was promoted to Project Manager within six months, then to Senior Project Manager in January 2007.

“John is an asset to the MacKenzie Team and he continues to create opportunities, even in these challenging times, which have helped contribute to our growth. His dedication, attention to detail, superb customer service, and his “whatever it takes” attitude, exemplify the MacKenzie spirit,” said President and COO Marty Copsey.

A graduate of the University of Maryland, Rohde has 25 years of experience in the construction industry. OSHA trained, Rohde’s experience and multi-disciplined background ensure his projects reach the highest standards for which MacKenzie Contracting is known. Rohde’s clients include Mercy Health Services, Arundel Federal Savings Bank, Scottrade, Lutheran Center Baltimore, and Lincoln Financial. He has completed more than 500 projects totaling more than 6,000,000 square feet in his tenure at MacKenzie. As Vice President, Rohde will continue to provide project management oversight including contract and subcontract negotiations, contractor coordination, and project status updates to his clients.

“John’s promotion is a testament to our commitment of quality and value to our clients. John highlights the best of MacKenzie and we are proud to acknowledge his hard work and dedication,” said Gary Gill, President and CEO of parent company MacKenzie Ventures, Inc.

Established in 1988, MacKenzie Contracting Company, LLC, is an award-winning full-service general contracting and construction management firm offering a full range of pre-construction, general contracting, ground-up construction, renovations and project management assistance for clients in an array of industries including healthcare, defense, education, retail, business, and manufacturing.
